Funding Year 2006
Date of Form 486 Notification Letter: May 9, 2007

CC: 02-6

Billed Entity Name: South East Idaho Rural Vocational Distance Learning Network
BEN: 149988
Form 471 Application Number: 492846
Form 486 Application Number: 388213

This letter is a request for a deadline waiver.

I am requesting that the Form 486 deadline be waived for the following FRNs 1361074, 1361075, 1361076, 1361077, 1361078, 1361079, 1361082, 1361083, 1361086, 1361087.

After filing Form 470 and 471, I received the original FCDL in October of 2006. I sent in a request to split a majority of the FRNs. On January 26, 2007, I received a warning that my 486 may be late. I called the help line and was told my original split information was not in the system and asked if I could resend it. That was the first time I asked if I needed to start the 486 process for all of my FRNs. They told me to wait for the revised FCDL. I sent in the information on January 30 via fax. Upon request, I resent the information about the split FRN's on February 22 to Seylon via fax. Again I asked about filing the 486 and was told to wait for the revised FCDL. On March 2, I was asked to resend the FRN split information (Case # 21-558310) and again asked about the 486 and was told to wait for the revised FCDL. Upon receipt of the revised FCDL on April 20, 2007, I filed the 486 for all of the FRNs

List ABCDE

I received the Form 486 Notification Letter on May 9, 2007. After inspection, I found three FRN's missing. I appealed the decision to cancel those FRNs and was approved. In that appeal, I was advised that I would receive a Revised Form 486 Notification Letter. I waited several weeks, but did not receive it (I finally received it in January of 2008 after filing a second appeal). I assumed that all the other info was correct and that I could move forward with the BEAR form. I completed the online BEAR form on October 12th. The final screen showed that all my FRN's were awaiting SP certification. I called the help line (21-652513 on 10/29) and was told that I needed to contact the Service Providers so that they could certify. When that status hadn't changed in a month, I called the help line again, using the same case number. After some inspection, I was told that my three invoices hadn't been certified. I was able to certify and submit one of the three successfully. The two invoices that won't let me certify and submit state that the BED, FRN, SPIN or AppID are wrong. They match everything on my documentation. The gentleman I was working with then said that the above FRN's had been canceled because the Form 486 was late.

Now, here is where I am confused. All of my FRN's were filed on the same 486. Some were okay and some were canceled. It appears that the ones that were canceled match the original FRN's I had to split. The new FRN's generated from the split were fine and went through the BEAR certification.

Please find enclosed copies of the pertinent information discussed here as well as a time line breaking down the process.

I am requesting a waiver of the Form 486 deadline for FRNs 1361074, 1361075, 1361076, 1361077, 1361078, 1361079, 1361082, 1361083, 1361086, 1361087.

Thank you for your consideration,

Gina Hartgraves
Manager

RE: Form 471 Application Number: 492846
Billed Entity Number: 149988
Applicant's Form Identifier: SEIAF06471

This letter is your notification that your appeal has been resolved and is the official Revised Funding Commitment Decision letter (RFCDL) providing you with the dollar value and other details of the funding commitment(s) made for the FCC Form 471 Application identified above in response to your appeal.

The Funding Commitment Report (Report) that follows this Revised FCDL contains a list of items that were included in your original FCDL. An explanation of the items in the attached report is included in the sample FCDL posted to the SLD section of the USAC web site, and was included in your original FCDL. Depending on the nature of your appeal, this Report may have been updated to reflect the new total amount of discount for a funding request. Applicants should use THIS updated information when completing the FCC Form 486, if Form 486 has not already been submitted.

This same information is being sent to the service provider(s) whose Service Provider Identification Number (SPIN) was featured in your funding request(s). We urge you to contact your service provider(s) to make any necessary arrangements regarding delivery of service and provision of your discounts.

IMPLEMENTATION TIMEFRAME

The Federal Communications Commission (FCC) released on June 29, 2001, an Order extending the implementation period for non-recurring services. Any non-recurring service for which funds are committed in this letter may be delivered and installed up to September 30, 2008. Support for recurring services, however, is available only for services provided during the period July 01, 2006 through June 30, 2007.

If Forms 486 have not already been submitted for these services provided by this service provider as identified by the SPIN in the attached Funding Report, Forms 486 must be received or postmarked no later than 120 days after the Service Start Date, or 120 days after the date of an FCDL that approves funding, whichever is later, to receive discounts retroactively to the Service Start Date. If any funding was approved in the original FCDL and any services were provided by the service provider whose SPIN was referenced in the original Funding Report, the deadlines described above are calculated based on the original FCDL. If these services are approved as a result of a SPIN Correction, a new Form 486 will be required to allow invoicing for such services.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step will be to facilitate receipt of discounts as explained in this letter.

Re: Form 486 Application Number: 388213
Applicant's Form 486 Identifier: SEI4860607

This letter is to notify you that the Schools and Libraries Division (SLD) has received and accepted an FCC Form 486, Receipt of Service Confirmation Form, from you. This notification is to confirm the information that you provided. This information is being shared with the service provider whose SPIN you identified on the affected Funding Request Number(s) (FRN).

NEXT STEPS

- Work with your service provider to establish discounts (SPI) or reimbursements (BEAR)
- Invoice the SLD -
 - applicant invoice is BEAR Form for reimbursements
 - service provider invoice is SPI Form for discounts
- Pay non-discount portion, as stated in program rules
- Maintain ALL documentation, as stated in program rules

You may be receiving this letter to revise or correct a previous Form 486 Notification Letter. The information contained in this letter supersedes any previous notification you may have received, including, but not limited to, a previously adjusted Service Start Date or previously reduced funding commitment.

NOTICE ON SERVICE START DATE

There may be some situations where one or more Service Start Dates as reflected on this letter have been changed from what you indicated on the Form 486. Such changes are made by the SLD to be in compliance with program rules. You will know that a change has been made if there is an asterisk next to the Service Start Date. If the SLD changed the Service Start Date, this change may have triggered a reduction in the funding commitment. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of the discounts only on eligible, approved products and/or services actually delivered and installed on or after the Service Start Date indicated on this letter.
